The revision of fees for both under graduate and post graduate medical courses is due for the academic year 2020 -2021.*

*While fixing the fees, the Committee consider different fees structure for Government Quota, Management Quota and NRI Quota based on the expenditure details submitted by the respective institutions. Our member institution get 100% allotment under government quota and management quota, where as in some institutions they do not get 100% admission under NRI Quota*

*We kindly request the Committee to permit our member institution to collect the fees applicable for NRI Quota from the candidates admitted under NRI / NRI Lapsed Seats.*

*This will enable our member institutions, to cover the expenditure incurred by the institutions. Otherwise, the institutions will end up in a shortage of income.*
